### **Purpose**

To establish principles for the BVCF learning awards program.

### **General**

The BVCF may offer, adjudicate, award and manage learning awards.

### **Principles**

Funding will be allocated to learning awards to support students in attaining their educational goals.

Awards will be offered to students within the BVCF area.

The number and size of awards will be determined annually by the BVCF Board, depending on available funding.

Information regarding program details and application procedures will be communicated throughout the BVCF area using a variety of media.

The BVCF must approve any extensions or changes.

A donor or group of donors may specify selection criteria if the award is generated from their contributions.

**Publicity**

Unless otherwise specified by the applicant the BVCF may publicize names, towns and photos of award winners in printed and digital media.

**BVCF area**

The BVCF area extends from Topley to Kitwanga, B.C. including Granisle, Houston, Telkwa, Smithers, and the Hazeltons and Upper Skeena regions.
