

Who We Are

The purpose of the Bulkley Valley Community Foundation is to create opportunities for donors to support local initiatives, organizations, and individuals to improve the quality of life throughout our communities.

Since 1990, we've worked with donors like you, who want to contribute to causes you care about. We help to build vibrant communities from Topley to the Hazeltons in Northwest B.C. See projects at www.bvcf.ca [photo gallery](#).

As a public foundation we focus on responsible investing of donations large and small. Income generated goes to grants and learning awards for organizations and students.

We are a registered Canadian charity and member of Community Foundations of Canada.
